

PART I—Section 2.

GENERAL.

No. G. 17939—G. M. 678-17-2, dated 29th June 1918.

It is hereby notified for general information that Messrs. C. Subba Rao, Advocate, Shimoga, and Srinivasa Dikshit, Landholder, Shikarpur, have been deputed by the District Board of Shimoga to the Representative-Assembly of 1918-19.

No. G. 247—G. M. 94-18-2, dated 6th July 1918.

The following letter from the Government of India, Army Department, and its enclosure regarding the training of blinded soldiers is published for general information:—

No. 7403.

GOVERNMENT OF INDIA.

ARMY DEPARTMENT.

Simla, the 6th June 1918.

I am directed to forward a copy of a draft Army Instruction giving the details of a scheme for the training of blinded soldiers of the Indian Army at the Victoria Memorial School, Bombay, and the school for the blind at Lahore. Every blinded soldier discharged from the Indian Army will in future be asked whether he wishes to be sent to one of these schools and the advantages of the training and the conditions under which it is given will be fully explained to him.

2. In order to bring the scheme before blind soldiers who have already been pensioned and sent to their homes (including those referred to in the Home Department letter No. 314 (Medical), dated the 16th August 1917), the Government of India ask that (with the permission of His Excellency the Governor in Council

His Honour the Lieutenant Governor in Council) District Officers may be instructed to give the scheme the widest publicity. To assist in this, leaflets are being prepared in the various vernaculars and these will be forwarded later for favour of distribution by District Officers.

3. The Government of India further suggest that District Officers be authorised to arrange in direct communication with the Principal of the School concerned for the admission of any pensioners who may be desirous of instruction, and to advance the cost of railway fare to such pensioners and their attendants for the journey to Lahore or Bombay as the case may be. Such advances will, on the authority of this letter be refunded on application to the Controller of Military Accounts, Lahore or Poona, the former dealing with admission to the Lahore School and the latter with those to the Bombay School.

4. It will be observed that in paragraph 5 of the Army Instruction, it has been left to the Local Governments and Administrations concerned to decide, in consultation with the Military authorities, what should be the most suitable subjects of instructions to be given at the Schools. The Government of India regret that the necessity for the issue of very early orders on the subject precluded a previous reference to Local Governments in regard to these details, but they feel sure that the latter will take an interest in this question and give every assistance in their power with a view to the furtherance of this very desirable scheme.

(Sd.) A. H. BINGLEY, MAJOR-GENERAL.

Secretary to the Government of India.
